Divisional Corner

The divisional system is designed to handle all questions or concerns that come from Cadets. It is important that you understand how this system works and that you use it effectively. If you have any questions or concerns the first person you contact is your Divisional Petty Officer (DPO). If your DPO cannot help you they will go to your Divisional Officer (DO). If your DO cannot help you they will go to the Executive Officer (XO). These are the people that fill those positions. Make sure you know who to talk to.
